### Chapter 1 by An9eldest

Suicide. A more hoarse way of saying killing yourself. I look up and see a girl on top of the school building. She has a new student ribbon around her wrist. But there is no more time to dwell on that right now she is gonna commit suicide! I think as I start running up to the school rooftop. I see her looking down off the edge. I start screaming, "YOUR LIFE IS BEAUTIFUL CHARISH IT. AND SOMEONE AS BEAUTIFUL AS YOU SHOULD NOT DIE!" Up till that point I had no idea what I just said, "How repulsive." She backflips over the chain fence and stabs me in the heart with what looks like a red sword. Blood? I thought. She looked at me, "What exactly are you?" I just smiled and said, "I should be asking you that." I looked up at her and said, "Now would you mind taking that out?" She looked at me in shock.
